Islander Foundation Grant Application

DeLaSalle has established the Islander Foundation to help raise funds for grants to offset the expenses associated with attending DeLaSalle, or to help improve or expand opportunities for particular school activities. This is a volunteer opportunity established in partnership with companies operating concession services at various Twin City sport and event venues such as the US Bank Stadium, Target Center, Target Field, Xcel Energy Center, TCF Stadium, Williams & Mariucci Arenas on the University of Minnesota campus. Individuals, families, friends or DeLaSalle students/groups may volunteer their time for events and in turn a donation may be made to DeLaSalle High School.

A Grant Application must be completed and turned into the DeLaSalle Finance or Islander Foundation office by the 8th day of each month.

Applications not turned in by the 8th may not be processed until the following month.

To apply for a grant to help offset your tuition and/or fees, please complete the application below and return to the address printed below:
